

# Newsletter 18 November 2007

**Welcome** to the latest newsletter of Riccarton Korfball Club (RKC).

## **Club Training**

Please note that Sunday Club training has finished for the year.

## **Bunning Sausage Sizzle Fundraiser**

The committee would like to say a big thank you to the following volunteers who gave up their time to butter bread, chop onions and barby bangers at Bunnings on Labour Day. The weather gods were kind to us and we have a fantastic day with queues forming to get their teeth into our tasty sausages.

Between us we sold 1,000 sausages giving the Club a profit of approximately \$600.00. This money will go towards purchasing more equipment for our juniors and summer league.

Many thanks to:

Geoff Dunbar  
Jo and Eric Owsley  
Bevan Lawson

Claire Tanner  
Steve and Simon Cooper

## **RKC Uniforms**

There are still some RKC blue winter playing shirts outstanding from the 2007 season. If you still have your shirt, please return it to Sarah, Boyd or Steve immediately. Note that anyone who does not return their shirt will be charged the replacement value. These shirts belong to the Club and are needed for our players for next winter. .

## **Junior Korfball**

RKC is delighted to have 25 children registered and playing Junior Korfball this summer. In the first of our monthly tournaments held at Middleton Park on 13 November, RKC hosted Westminster Korfball Club juniors. In cold, windy conditions, three RKC teams (kitted out smartly in their blue Club t-shirts, caps and numbered playing bibs) and one Westminster team played two games each. We look forward to the 2<sup>nd</sup> juniors tournament on 4 December.

We are always on the lookout for more children to join us. Information and the registration forms are available on the RKC website or by contacting Boyd ([rkcsommerleague@gmail.com](mailto:rkcsommerleague@gmail.com), tel: 351 2999).

## Summer League

Summer League started on 30 October with 6 teams registered. Adverse weather made the conditions difficult in the first couple of weeks but round three got underway (a week late) with sun and light wind allowing an excellent evening of korfball. Lets hope it continues.

Unfortunately most teams are struggling to find a full compliment of players this season so if you are interested in giving summer korfball a go, please get in touch with Boyd (rkcsommerleague@gmail.com, tel: 351 2999).

## Korfball NZ Kids Korfball School Holiday Programme

Korfball New Zealand has received a grant from the Canterbury Community Trust and are looking for people in Canterbury to help organise a korfball school holiday programme. A subcommittee of representatives from RKC, WKC and KNZ will work out how best to use the grant money to build a sustainable programme with Sport Canterbury and local schools.

If you or someone you know would like to get involved in this well-supported initiative, get in touch with Rob Smith (rob@prsouth.co.nz) for more details.

## Finally ...

The RKC Committee would like to wish you all a very merry Christmas and a happy and safe new year. We look forward to more **EXCITING – FRIENDLY – DYNAMIC** korfball in 2008.

Regards
