## October 2008

**Welcome** to the latest newsletter of Riccarton Korfbal Club (RKC).

### **New Club Base**

This year we are moving our Summer League programme to Hagley Oval. This is a well known spot, near to the middle of town, has easy access and good parking.

As a part of the move we have been in discussion with the resident cricket clubs, notably Riccarton Cricket Club, with whom we are entering into a mutual arrangement whereby we will be able to share the use of their club rooms. This includes the upstairs bar a social venue (licensed, tea/coffee, snacks and Sky TV), as well as for some space downstairs for storage. As well as being a great SL social venue, it would also be a valuable place to hold AGM's and other club related activities.

Riccarton Cricket Club is a long-established club, who have a long-term lease at Hagley Oval. They are very interested in having us join with them; our timing could not have been better.

### **Club Training**

With the change of summer venue, and new club base, we are also looking for a nearby winter training venue. If any of our club members have contacts at schools in the neighbouring area, Hagley Community College, CGHS, CBHS, please get in touch with one of the committee, so we can get onto this.

### **Equipment**

Over the winter months the committee have been planning ahead for the coming seasons. As our club grows, we need more equipment to support our members, especially our junior members (we expect to have more junior players than adult members this year).

So, we applied for, and were given, a small project grant from the Christchurch City Council, to purchase some synthetic korfs, some adjustable poles and bases, and a trailer to carry it around in. This will be a great asset and will enable our coaches to move from venue to venue, school to school, with ease.

### **RKC Committee**

If you are interested in joining the Committee and helping shape the future of our club, please contact Boyd Kedzlie ([rkcchair@gmail.com](mailto:rkcchair@gmail.com)).
